

St Mary & St Paul's CE Primary School

Curriculum Guide

Curriculum

Our curriculum offers rich, broad experiences that engage and excite our learners and teachers. Our children are placed at the centre of the curriculum and are encouraged to reflect on and take ownership of their learning from an early age.

We aim to teach in a cross curricular way so that children can be inspired by the topics that are covered and they can develop the skills to take ownership of the curriculum and become independent learners.

We use units inspired by the Cornerstones Curriculum.
