Headteacher's Message

It's official St Mary and St Paul's is 50 years old. over 50 years ago the then Vicar John Mills moved the school down to Bryer Road to serve this estate and it has never looked back. It has been fabulous to look back at what has taken place here and on Thursday 23rd May we welcomed the mayor and old staff to a gathering at school. Friday 24th sees the celebration for the children with a storyteller session and our whole school picnic.

This half term has been extremely busy with both our year 2 children and year 6 children sitting their SATs. Their behaviour has generally been brilliant and throughout these external tests they have been given an opportunity to 'show off' what they have learnt. We couldn't be prouder.

We are also delighted that attendance has been 96.0% over the last half term. National average is 96.5% so a push in the last half term will be brilliant. As ever thank you for all your support.

Have a nice half term holiday.

Wild Workshops visit Year 3

As part of their Rainforests topic, Year 3 had a visit from Wild Workshops. We compared rainforest creatures with animals and insects we would find in this country. We had the opportunity to look at mini beasts with a magnifying camera, then investigated them ourselves using magnifying tools. We have got to handle a mouse and toad! Some of us were more calm than others!

Monday – Multisports, Lego
Tuesday – Multisports, Cricket
Thursday – Dance, Craft, Computing
Friday - Football

Did you know that children can have 15 hours a week FREE nursery provision in our school Nursery once they are 3 years old?

At St Mary & St Paul's, our teaching is underpinned by Christian values, as we aim to help all of our children to become both successful and thoughtful citizens.

This begins in Nursery Class, where we help our youngest children to learn how to be a good friend, help others and be kind. Learning is through fun play activities – most of the time the children are having so much fun they don't realise that they are learning at all!

Our Foundation Stage is really well equipped with resources that make learning fun – both inside and outside – and our children really enjoy all of the learning that they do.

Attendance Matters

As attendance matters so much to the opportunities we can offer, here is a reminder of what a few days off means for your child's end of year attendance.

"We can't teach an empty chair."

Magic Breakfast

Magic Breakfasts for all - FREE

Nursery, Reception, Year 1 and Year 2 - Cereals will be served in the classrooms from 8.45am. Please arrive as early as possible so that the children can be fed and then get into assembly.

Year 3, 4, 5 and 6 - Bagels will be served in the blue room as the children head up onto the yard so again please be prompt to ensure your children have chance to collect their breakfast before heading to class.

This will be ongoing every day for at least the next four terms.

Breakfast Club - If your child normally attends breakfast club then that will be on as normal from 7.45am. Your child can always have extra when they go to the classroom.
