## Headteacher's Message

It has been a busy month with the children getting back into the regular routines of school life. So much has been learnt in the classrooms and it has been a treat to see so many of our children for a headteacher's awards. It was also great to see so many of you at parent's evenings. If you still haven't seen your child's teacher then don't hesitate to ask for an appointment as we feel that we can provide more if we do it in partnership with yourselves.

Over the holidays, you may have noticed the next phase of our artificial grass project has been installed with the addition of the fence. The final phase will be to get some line marking added.

As ever, if you have any questions pop into see Mrs Evans, myself or any of the staff.

## Diary Dates

**Mon 17<sup>th</sup> Dec** – Party Day  
**Fri 21<sup>st</sup> Dec** – Christingle  
School closes at 1.30 pm

### Year 4 – Maths

#### Problem Solving

Year 4 love a challenge! Today we have been working in pairs to complete some addition and subtraction problems. Some of them were tricky but we kept going and never gave up.

### Nursery and Reception – Harvest Soup

Nursery and Reception shared some delicious, warm harvest soup this morning for snack. We enjoyed dunking in some lovely, crusty bread. We even had a visit from Mr Parks.

## Assembly Theme – Love

We continue to explore our new vision statement – Life in all its fullness through Learning and Love. We have looked at some of the ways Jesus showed us His love by his miraculous acts.

*Did you know that children can have 15 hours a week FREE nursery provision in our school Nursery once they are 3 years old?*

At St Mary & St Paul's, our teaching is underpinned by Christian values, as we aim to help all of our children to become both successful and thoughtful citizens.

This begins in Nursery Class, where we help our youngest children to learn how to be a good friend, help others and be kind. Learning is through fun play activities – most of the time the children are having so much fun they don't realise that they are learning at all!

Our Foundation Stage is really well equipped with resources that make learning fun – both inside and outside – and our children really enjoy all of the learning that they do.

### **Sponsored Sports Day**

The children had a fantastic time joining in with the Sponsored Sports Activities during the day. Due to the weather, we were all inside but used the time and space well to develop our skills. The children practised their throwing and shooting skills together with lots of dancing and aerobic exercises too. Thank you too all who have sponsored the children. Please send the money into school this week so that we can total it up and let you know how much we have raised.

### **Headteacher's Awards**

Ava Yr4 – Marvellous Maths  
 Sam Yr 5 – Super sickly poetry  
 Darcie Yr 5 – Super sickly poetry  
 Lewis Yr 5 – Super sickly poetry

### **Learning with Us.....this month**

# TRAVEL TOKYO

Children, staff and parents have all been encouraged to up their physical activity over the next 2 years, in the run up to the 2020 Olympics. We were visited by the Travel Tokyo team and they have given us all lots of ideas to help increase our activity time.

From the Miss Jones
