

St Mary & St Paul's – PE & Sports Premium Funding

What is the Sports Premium?

The government provides an annual amount of primary school sport funding for each school to spend on improving the quality of sport and P.E; each school will receive £8,000 plus an extra £5 per pupil each year and this money can only be spent on sport and PE provision in schools. At St Mary & St Paul's our funding for 2016-17 was: £8700

Purpose of the funding

Schools will spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Examples include additional sport clubs, equipment to support P.E and hiring specialist P.E teachers/qualified sport coaches.

How do we use the funding?

At St Mary & St Paul's we recognise the contribution of P.E to the health and well-being of the children. In addition, it is considered that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

We have used the sport funding in a variety of ways:

Area of spending	Costs	Aims	Impact
Employ a sports apprentice	£1591	to support with specific skill development in PE lessons, run activities during break and lunch times and support and run after school clubs	Greater number of children involved in organised sports activities at break and lunch time. Wider range of after school clubs

			reaching a greater spread of children
Subsidise the annual residential visit to Barnstondale Camp to develop Outdoor / Adventurous activities	£565	Allow pupils to experience outdoor and adventurous activities that we cannot provide in school environment	Children attempted archery, river crossing, climbing, nightline, abseiling to develop skills and techniques in OAA activities
Employ Sports coaches to teach classes of children in game strategy and skill development	£1100	Enrich education coaches to work with children in Key Stages 1 and 2 developing games skills and strategies in line with NC	Improved confidence n the children ability to play games and the development of better teamwork and strategy.
Provide CPD to staff for development of PE and games	£390	Develop confidence and understanding of how to teach PE	Improvement in staff confidence to teach and support pupils in PE (noted in Ofsted letter July 2017)
Run after school clubs for KS1 to develop basic skills (catching, throwing, movement, positioning, skill technique)	£400	Greater number of younger pupils involved in sports after school clubs	Children active at a younger age / greater number of children attending clubs in KS1
Aim for the Health 4 Schools awards Bronze and Gold – link to children	£1736	Children to understand why it is important that they keep themselves	All classes participated in class sessions with the Health for schools

<p>having a greater understanding of having a healthy lifestyle and putting it into practise.</p> <p>Health for schools After school club</p>		<p>healthy</p> <p>To make the right choices in developing health</p> <p>What are healthy foods and the correct food choices</p>	<p>teams.</p> <p>Learning mentor supported ½ day per week</p> <p>Bronze and Gold awards achieved</p>
<p>Support the cycle training for Year 5</p>	<p>£250</p>	<p>Year 5 pupils to receive cycle training so that they are safe whilst out on the roads</p>	<p>Greater knowledge and understanding of keeping themselves safe whilst cycling and the importance of health and fitness when using a bike.</p>
<p>Release staff for competitions / matches to allow children to play competitive sport</p>	<p>£1000</p>	<p>To increase the number of children playing sport competitively</p>	<p>Children had the opportunity to play against other schools in football and tag rugby</p>
<p>Additional staff to support PE lessons – allowing for greater intervention and teaching</p>	<p>£1668</p>	<p>Greater level of coaching for pupils in class to allow for skill development</p> <p>Children supported more to allow for an increase in focus at all points with the lessons</p>	<p>More small group teaching and support in each lesson allowing for pupils to develop skills quicker / targets given for development on a more 1:1 approach</p>

What impact has this had?

- An increase in the number of pupils engaging in sporting activities in school and through extra-curricular clubs
- An increase in staff confidence in delivering PE and sporting activities, and thus the quality of PE and sport teaching across the school
- Involvement in inter-school sporting competition – such as inter-school events at Liverpool Academy and Rainhill High School
- More opportunity for children to take part in organised/well resourced activities that further develop their PE and sport skills and encourage them to exercise – such as at lunchtimes

What future plans do we have?

We want to extend our use of the sport funding during 2017-8, so that:

- More children get the chance to represent the school in inter-school competitions
- Increase the sports coaching to extend to dance and gymnastics
- Employ another sports apprentice with a focus on developing break and lunchtime activities and dance / gymnastics lessons / clubs.
- More staff have the chance to attend appropriate CPD to further develop their skills and confidence
- Greater release time for N Jones to coordinate PE and support staff in the development of the subject.
