

Prayers for SMSP During Covid19

God of love and hope, you made the world and care for all creation, but the world feels strange right now. We pray for those who are ill and those who are worried. We pray for our families and friends. Be with them and help them to find peace. We pray for the doctors, nurses and scientists and all who are working to discover the right medicines to help those who are ill. Thank you that even in these anxious times you are with us.

You are with us in the day and in the night. You are with us when we are happy and when we are sad. You are with us when we are healthy and when we are ill. You are with us when we are peaceful and when we are worried. Help us to know that you are with us, every step of the way.

We thank you for the amazing staff at St Mary and St Paul's. Thank you for their love, their care and their dedication. Thank you for each and every member of this community – adults and children – including those who can't be here today. Be with us all – give us peace, give us courage, give us hope, and help us to be Your hands and feet, Your mouth and Your ears, in this world, now and always.

Amen.
