

Reading

“Reading is dreaming with your eyes wide open!”

There are lots of key workers working hard to keep us safe. Read some of the descriptions in this game and check to see if they make sense.

<https://learnenglishkids.britishcouncil.org/games/job-mixer>

Would you like to do any jobs in this game? Which jobs would you like to do?

Writing

- Write a ‘thank you’ letter to the people who collect your rubbish and recycling. What could you include in your letter? Can you think of any questions you could ask about recycling or where the rubbish goes?
- Can you label the plants in your garden or in the house?
- Write a weather report. Can you use any adjectives?
- Write a set of clear instructions on how a rainbow is made.

Maths

Beat the clock <https://www.topmarks.co.uk/maths-games/hit-the-button> is a great game which can be adapted for lots of different activities. Try the Number bonds, Doubles and Halves games. You play against the clock hopefully beating your time each game. Good luck!

Keeping your mind and body Healthy

Making sure you and your family are keeping healthy is very important. Every morning at 9.00am, I have been doing the P.E lessons that the body coach has been uploading on his Youtube channel. I have really enjoyed doing the martial arts exercises and you can even pause for a quick break.

Don` t forget some of our favourites websites to work out.

www.gonoodle.com - An adult can create a log in for free and then you can show them our favourite dance routines (Dynamite) and our yoga work outs.

<https://www.youtube.com/user/livelovepartyTV> - This website has all our favourite wake up, shake up dance routines.

Science

It has been an exciting time in the night sky this week! If you go outside about 9pm you can see a very bright star called Venus. Just to the side of it if you look carefully you might see some shooting stars. If you do, remember to make a wish! This site is an introduction to space study.

History

St Georges day is the 23rd April. St George is the patron saint of England. Read the story with this power point here:

<https://www.twinkl.co.uk/resource/t-t-5489-st-georges-day-story-powerpoint>.

Art

St George used his shield to fend off the dragon. Why don't you draw a shield and design your own family coat of arms. Draw what is important to your family. Here is a selection of shield outlines you could copy.

<https://www.twinkl.co.uk/resource/t-t-198-design-your-own-personal-coat-of-arms>

A little extra

- ✚ Help out with some jobs around your home.
- ✚ Don't forget to keep up to date with Newsround
<https://www.bbc.co.uk/newsround>
- ✚ Create a playlist with all your family members' favourite songs.

This week I have been going outside to look at the stars and to see if I could see any shooting stars. I saw some on Tuesday and made a wish for us all to stay safe. Mrs Humphreys has been making lots of cakes. She is trying lots of different recipes and she has promised to make us all some cakes when we are back in school. Your mums and dads and Sharon's and John's have told us about how good you are all being. I know we are all enjoying the sunshine and being outside when we can. We miss you very much. Keep being good. We are so proud of you.

Love from Mrs Craig and Mrs Humphreys x
