

What lovely weather we have been having!

Hola Year 2,

The weather has been lovely this week; I hope you have been able to enjoy the sunshine by either playing in your garden or going out on your daily walk. Some teachers and I have been very busy in school decorating the library; we cannot wait for you to see it! Also this week, I have set myself a challenge to learn my numbers up to 20 in Spanish. Have you learnt anything new whilst we have been off school? I hope you are being your best self at home and keeping yourselves safe.

Best wishes
Mrs Ellerton

Be a writer	Be creative	Be active	Be you
<p><u>Saying Thank You!</u> Can you write a thank you letter to the people who collect your rubbish and recycling or to the person who delivers your post.</p> <p>Make sure your handwriting is beautiful and remember capital letters and full stops.</p> <p>In your letter you</p>	<p><u>Funny faces</u> Throughout the day I make a range of funny faces and sometimes I don't even know I am doing it.</p> <p>I thought it would be good to try and recreate funny faces using a cardboard box.</p> 	<p><u>Circuit Training</u> When talking to some of you on the telephone you told me how you have been creating a circuit course in your gardens with a range of different exercises to keep fit & healthy.</p> 	<p><u>Managing Emotions</u> This week I have watched the movie inside out. I realised that in a week I can show a range of emotions.</p> <p>Now Year 2, you know how I love to be happy most of the time however it is ok to feel fear, sadness, joy and anger like in the movie.</p>  <p>I enjoyed looking through some of activities on the website below to help me understand more</p>
