

# St Mary & St Paul's – PE & Sports Premium Funding 2019-20

## **What is the Sports Premium?**

The government provides an annual amount of primary school sport funding for each school to spend on improving the quality of sport and P.E;

At St Mary & St Paul's our funding for 2019-20 was: £17497, we carried over £7872 from the previous year making £25382

Due to COVID some of the money was left unspent and this equated to £7872. This will be carried forward into 2020-21 and brings the total to £25462.

## **Purpose of the funding**

Schools will spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Examples include additional sport clubs, equipment to support P.E and hiring specialist P.E teachers/qualified sport coaches.

## **How do we use the funding?**

At St Mary & St Paul's we recognise the contribution of P.E to the health and well-being of the children. In addition, it is considered that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

We have used the sport funding in a variety of ways:

Area of spending	Costs	Aims	Impact
Employ Sports coaches to teach classes of children in game strategy and skill development and Dance	£2200	Enrich education coaches to work with children in Key Stages 1 and 2 developing games skills and strategies in line with NC	Improved confidence in the children ability to play games and the development of better teamwork and strategy.

			Offer a wide range of After School Provision to offer greater opportunity.

Total	£17509.94		

### What impact has this had?

- An increase in the number of pupils engaging in sporting activities in school and through extra-curricular clubs
- An increase in staff confidence in delivering PE and sporting activities, and thus the quality of PE and sport teaching across the school due to coaching sessions
- Involvement in inter-school sporting competition – such as inter-school events at Liverpool Academy and Everton Academy.
- More opportunity for children to take part in organised/well resourced activities that further develop their PE and sport skills and encourage them to exercise – such as at lunchtimes
- Opportunities to increase fitness through use of equipment.
- More regular access to equipment required to develop skills.

## **What future plans do we have?**

We want to extend our use of the sport funding during 2020-21, so that:

- More children get the chance to represent the school in inter-school competitions by signing up to Knowsley Sports SLA
- Contribute to insurance for minibus to ensure safe travel to events and competitions
- Greater release time for D Halsall to coordinate PE and support staff in the development of the subject.
- Upgrade sports equipment in order to play a wide variety of sports.
- Purchase a scheme of work to support teaching of PE.
- Employ sports coaches to ensure high level PE sessions for all

## **Swimming**

Due to COVID – Year 6 swimming sessions were cancelled and we weren't able to perform the assessment on swimming.
