October 2021

Dear Parents and Carers,

As part of a project with the Diocese of Liverpool, we have been asked to create a half hour film about the vision of the school 'Life in all its fullness through Learning and Love' and the impact that this has had on the children and their families together with the staff and the local community.

We have used a vast number of our students who have read, sung or had their photographs taken for this.

We would be extremely grateful if you would provide us with permission to use these images of your child for this video in order that it can be posted on the school and Mersey Boroughs ITT (the teacher training aspect of school) websites.

Not all children in the school are included however this may be edited in future and a clip or photograph may then be included.

If you are happy for your child to be included, please sign against your child's name. Your child's class teacher will have the signing sheet.

With grateful thanks,

Mr Parks and Mr Brooksbank
