## Update on PE arrangements

Dear Parents,

As we have now started the new school year I am writing to inform you of a few changes in regards to PE sessions taking place in each year group.

During the last academic year, we had advised that children were not required to bring PE kits to school and instead could just bring a suitable pair of trainers. This was designed to maximise time that we had for these sessions and to also avoid breaking any of the COVID safety measure we had in place at the time.

Now that we are back in school for the 2021-22 year however, we have decided to ask pupils to once again wear PE kits for their afternoon sessions. To make this easier, we are now allowing pupils to wear their PE kits to school on the day that their lesson takes place, meaning they do not have to wear normal school uniform at all on that day.

Attached to the back of this letter is our PE timetable which shows when your child's class has PE and on which day.

To be clear, although we have allowed for the use of PE kits in this way, that does not mean that the children will be allowed to attend school in their own clothes. Pupils will be expected to wear the correct kit at all times. This will consist of:

- **Plain white T-shirt/School PE shirt (These can be purchased at the front desk for £3.50)**
- **Plain black shorts/Plain black tracksuit bottoms**
- **A suitable pair of trainers**
- **NO FOOTBALL KITS ALLOWED**

Thank you for your continued support,

Mr Halsall

Year 6 Teacher and PE Subject Leader
