Headteacher's Message

I can't believe I am writing my final newsletter of the year already. I have to say it is lovely to be able to write to you with some level of normality back in the world and definitely here in school. It has been fabulous to see so many of our children out and about on trips and we are especially excited about our whole school trip to Knowsley Safari Park next week. We are also delighted that we will be able to complete our year 6 leavers service in person and have you all in school for sports days.

This year we have had some flexibility over uniform, particularly on a PE day and attendance earlier in the year was still under COVID guidance. As we are preparing to embark on a new year this will change. A letter will go out regarding uniform towards the end of the year. We will also be led in attendance by the new LA attendance strategy and this will be much more strict regarding absence.

Let me though as ever pass out my tanks and appreciation for the love, support and energy that so many of you have poured into this year. As a school we want all children, parents and carers and family to achieve our vision of "Life in all its fullness through Learning and Love", so if you need anything you know where we are.

Best wishes and prayers,
Mr Parks

Today we are visiting Conwy as we look at the physical contrast between life in Prescot and life in Conwy! Year 3 are very excited to be here as we tour Conwy centre! #geography #culturalcapital #learning #joy

Assembly Theme – Aspire

This half term we have looked at stories throughout the bible with a real focus on how Jesus calls us to aim high, to use the skills we have to make a difference and how we push each other to ensure we achieve our highest standards.

*Did you know that children can have 15 hours a week **FREE** nursery provision in our school Nursery once they are 3 years old?*

At St Mary & St Paul's, our teaching is underpinned by Christian values, as we aim to help all of our children to become both successful and thoughtful citizens.

This begins in Nursery Class, where we help our youngest children to learn how to be a good friend, help others and be kind. Learning is through fun play activities – most of the time the children are having so much fun they don't realise that they are learning at all!

Our Foundation Stage is really well equipped with resources that make learning fun – both inside and outside – and our children really enjoy all of the learning that they do.
