Headteacher's Message

I can't quite believe this will be my last newsletter. Over the course of the last 5 years and 2 terms I have enjoyed communicating with you in this way, sharing the joys of our school life together. It is an area that I will miss immensely. I will write again but can I just so how grateful I am to each and every one of you for all your love, support and kindness over my time here.

June has been a month with so many trips and excursions that it has been a complete worldwind. We had our year 5 residential to the Lake district, year 3 have been to Wales, year 1 have been to Southport and Stepping Stones have been to make Pizza to name just a few. The key to all of these has been the amazing behaviour of our children – we are so proud of them all.

Over the last two and a half weeks I look forward to seeing you at a whole stream of events and thank you for your commitment to these. Thanks Mr Parks

Year 6 Democracy Day

Year 6 enjoyed taking part in a Democracy Project. They learned about the roles of the Mayor, Councillor and Town Clerk. They also took part in a full council meeting, proposing changes that they would like to make to a local park. @PrescotTown @Joburkegreengal @loveprescot

Sean Perkins Author Visit

Sean returned to school today to deliver signed copies of his book to some very excited children. Sean also very kindly donated a copy of his book to our school library as well! @sean16_writes

Assembly Theme – Aspire

Over the course of the last month we have focused on Jesus' aspiration for us to live a Godly life and push ourselves with our talents. Then how this aspiration relates to our lives and time in school.

*Did you know that children can have 15 hours a week **FREE** nursery provision in our school Nursery once they are 3 years old?*

At St Mary & St Paul's, our teaching is underpinned by Christian values, as we aim to help all of our children to become both successful and thoughtful citizens.

This begins in Nursery Class, where we help our youngest children to learn how to be a good friend, help others and be kind. Learning is through fun play activities – most of the time the children are having so much fun they don't realise that they are learning at all!

Our Foundation Stage is really well equipped with resources that make learning fun – both inside and outside – and our children really enjoy all of the learning that they do.

Sports Days

It's that time of year where excitement starts to build for our end of year sports days. It's an event where we love to see as many of you as possible. Further details will be sent out but we are posting days so that you can book them in your diaries.
