Headteacher's Message

Can I start by thanking you for your ongoing support and love over the last month since the announcement that I am leaving! It is with a hugely heavy heart that I leave, you are such an amazing community and I have seen so many of you grown and flourish in my time here. Please hold the school in your thoughts as they look for a new Headteacher.

A massive well done is also due, our attendance has increased significantly over the last few weeks and we hope that this continues over the following weeks. Your child's attendance in school makes such a huge difference please keep it going.

We have done so much across the month of May and June is busier still. We hope that you have a good break and then we return ready to embrace all the opportunities being offered.
Best wishes, Mr Parks

Olivia Fundraising

Today we had the wonderful Olivia in school as we presented her with our fundraising to send her to New York. It was an absolute pleasure to see her and we have donated £13,062.75 together with our friends

Littlefoot Out of Bounds Activities

Year 3 have had a fantastic time learning about survival skills with @LittlefootHQ. We are now able to make a variety of knots and know how to light a fire safely. #aspire

Assembly Theme – Joy

We prioritise joy in learning because as people we always learn more from situations when we either make mistakes and learn from them or when we love something so much we want to know more. In worship we have been looking at examples where Jesus has shown us the importance of spreading his joyful message.

*Did you know that children can have 15 hours a week **FREE** nursery provision in our school Nursery once they are 3 years old?*

At St Mary & St Paul's, our teaching is underpinned by Christian values, as we aim to help all of our children to become both successful and thoughtful citizens.

This begins in Nursery Class, where we help our youngest children to learn how to be a good friend, help others and be kind. Learning is through fun play activities – most of the time the children are having so much fun they don't realise that they are learning at all!

Our Foundation Stage is really well equipped with resources that make learning fun – both inside and outside – and our children really enjoy all of the learning that they do.

Sports Days

It's that time of year where excitement starts to build for our end of year sports days. It's an event where we love to see as many of you as possible. Further details will be sent out but we are posting days so that you can book them in your diaries.
