

Life in all its fullness through Learning and Love

Our School Vision

At the core of our school we have our Vision Statement,
“Life in all its fullness through Learning and Love”,
which is centred in our Christian Foundation. These are backed up by our four core values of **Aspire, Hope, Joy** and **Serve**. The children look for opportunities to put these into practice as they care for one another and consider the impact that they can have, for the good, of both school and the wider community.

Aspire

Aspiring to be the best that we can be is the aim for all. As we aspire for success we strive to enable the children to meet their potential in all that they do.

1 Corinthians 14:1

So in everything strive to love, build up the community, draw them near, strengthen and comfort them.

Hope

As we rejoice in the hope of a world full of opportunity, we encourage our children to develop a desire to love one another and take advantages of the gifts that we are given.

Romans 12:12

Rejoice in hope, patient in tribulation and faithful in prayer

Joy

Joy is a fruit of the spirit. It supports the children in enjoying all that we do within school and helps them to see the positive aspects of the challenges ahead.

Genesis 21:6

God has brought me joy and laughter and everyone who hears of it will laugh with us.

Serve

We serve those around us in order to build the importance of community life. As the children serve they grow and develop into responsible and kind beings.

1 Peter 4: 10

As each has received a gift, use it to serve one another.
