

Year 4 Home Project Ideas – Autumn 2

Choose one of these ideas to focus on this half-term!

RE – The significance of light and Christmas!

Research Ready!

Many religions celebrate have their own celebrations and festivals, just as we celebrate Christmas each year. Could you research events such as Hannukah (Judaism) and Diwali (Hinduism) and find some interesting facts?

Talk time!

Take some time to talk to your family and friends to discuss with them the importance of Christmas time and what it means to you.

Creative crafting!

In school during the period of advent, we prepare for Christmas time. Each year we ignite the lights on our advent wreath, with each candle having a specific meaning. Try to create your own advent wreath to put at home, using different household materials.

Positive prayer!

Jesus is known as the ‘Light of the World’, because he leads us through the dark periods in our life. Can you write a prayer that shows how light is important in all of our lives. Who knows, it may up on display in the hall!

“Life in all its fullness through Learning and Love”
